QENTA PAYMENT CEE – Ihr kompetenter Anbieter im Distanzgeschäft

As an independent Payment Service Provider, QENTA Payment CEE acts as a competence center for Austria and Eastern Europe. With 20 years of experience, QENTA Payment CEE offers state-of-the-art technologies and solutions for cashless payment processing.

We welcome experienced specialists as well as young professionals with practical experience!

What you will do

- Cooperate with different development teams across all locations.
- Create and maintain documentation regarding processes and systems.
- Work with our on-call team.
- Maintain and extend production system.
- Maintain and extend office network infrastructure.
- Manage application lifecycle (deployment, monitoring, maintenance)

Who you are

- Willingness to learn, ability to take individual initiative, communication skills and ability to work in a team.
- Structured way of problem solving and good self-organization.
- Good command of spoken and written English.
- Completed technical qualification in information technology (Higher Technical Institute (HTL), University of Applied Sciences (FH), or Technical University (TU)).
- Familiarity with „DevOps“ - comprehensive experience with Puppet, Jira and Git/HG.
- Ideally, expertise in agile Change-Management (Kanban, Scrum).
- Detailed knowledge of network and security technologies.
- Knowledge of container virtualization (Docker).

Benefits

- Modern technical environment.
- Motivated committed team.
- Challenging and varied tasks in the international payment industry.
- Freedom to contribute your own ideas and experience and actively shape the future of the company.
- Flexible working hours
- Attractive and competitive salary
- Company pension scheme
- A yearly gross salary starting at EUR 43.316,00 up to EUR 48.000 on a full-time basis depending on your experience and qualifications
- Willingness to overpay is given depending on work experience and qualifications!

Have we piqued your interest?

Become part of an innovative, appreciative and dynamic team with challenging and exciting tasks. We are looking forward to meeting you!

Please send us your application documents stating the possible starting date and your salary expectations to hr@genta.com. For further questions do not hesitate to ask Jakub Polomsky.
